DELTA vs Twingo Benzina	-93 €	

**Es. su una percorrenza di 10.000 km/anno. Costo energia domestica 0,20€/kWh, costo benzina 1,4 €/l.*

Renault TWINGO VIBES Limited Edition

A promotional image for the Renault Twingo. Two cars, one orange and one white, are parked in a modern parking lot. The orange car is in the foreground, angled towards the left, with 'TWINGO' on its license plate. The white car is parked further back to the right. Several blue and white charging stations are visible in the background. A large, semi-transparent orange rectangular overlay covers the upper half of the image. In the bottom left corner, the text 'Q&A' is written in a large, white, sans-serif font.

Q&A
